

**ADDENDUM 001
REQUEST FOR BID
COLD WEATHER TRAFFIC MARKING PAINT
RFB NUMBER: 2-100122BT**

Bidders shall acknowledge receipt of Addendum 001 (ONE) by signing and including it with the original bid. The due date for receipt of bids has not been changed by this Addendum. Accordingly, the change is believed to be of general interest to all potential bidders. The original solicitation is hereby changed to make revision throughout the document. All other terms and conditions remain unchanged and in full force.

REVISIONS:

1) Add the following:

Paragraph 2.2.4 – The contractor's totes shall be 250 gallon capacity and compatible with the waterborne paint specified herein. The contractor's totes shall be stainless steel and shall be capable of properly containing and delivering the paint.

2) Delete the following from Paragraph 2.4.3:

In addition, the batch card shall show the following certification statement:

This is to certify that the paint in this shipment complies with Missouri Department of Transportation specifications for acrylic waterborne traffic marking paint and that this paint is formulated to the exact formula as that applied to the National Transportation Product Evaluation Program (NTPEP) test deck used to qualify the paint.

3) Delete Paragraph 3.1.6 d in its entirety.

4) Attachment A - MGS 09-02A – Delete all reference to NTPEP in section 2.3 and 2.3.2.

5) Attachment A - MGS 09-02A is hereby revised to read as follows:

The bidder shall also submit certification that the paint offered for conformance to this bid specification is manufactured to the same formulation. The only deviations from this formulation that are permitted are a slight variation in the amount of thickener used in order to adjust the viscosity to the required level and the addition of sufficient water to replace that lost in processing of the paint. The manufacturer's identification code for the submitted paint shall be the same as that submitted for this bid.
